**Admission requirements:**

**Prerequisites:**
1. Undergraduate degree in Music Education from an accredited institution, including official state certification.*Post-baccalaureate certification (requiring additional coursework and practice teaching) can be pursued simultaneously with the MUSED.MM. Post-baccalaureate requirements must be completed prior to completion of the MUSED.MM degree. Post-baccalaureate certification credit hours do not count toward the MUSED.MM degree and will generally require two years of full-time study. The post-baccalaureate option is not available in the Summers Only program.

   - If the applicant holds an undergraduate degree with licensure in an area other than music, conditional acceptance may be granted after analysis of transcripts, placement auditions, and examinations have been completed and remedial courses have been assigned. Prerequisite to full acceptance is the successful completion of the required remediation. No more than 12 hours of graduate courses may be completed before all deficiencies are removed.

2. Minimum grade point average of 2.75. If the applicant has a GPA less than 2.75 the student may petition for admission on the basis of tenure as a music educator for a cumulative period of not less than three years. Action on this petition will be determined by the Graduate Music Committee.

When the following information has been received by the Graduate Music office, the candidate will be considered for admission.

1. Resume

2. Official transcript(s) from all prior institutions attended

3. Three letters of recommendation
   a. Two letters should be from individuals who have knowledge of your teaching ability (principals, mentors, supervisors, other teachers, practice teaching supervisor)

4. Three-to-four page essay, including:
   a. Rationale to study at Lee University
   b. Description of your background in music
   c. Statement of your professional goals
   d. Discussion of ways you feel you will contribute to the Music Education profession

5. Teaching videotape
   a. Secondary Choral or Instrumental specialization
i. Submit a video-tape of a typical class/rehearsal period of no less than 45 minutes. The tape should include a clear demonstration of the applicant conducting as well as rehearsal techniques (pedagogical aspects). The applicant may include 1-2 pages of a narrative giving additional information regarding the taped rehearsal as well as the lesson-plan.

b. General music specialization
i. Submit a video-tape with a minimum of 20 minutes of teaching for each of two grade levels or for two different lessons (class periods). The lessons should include at least one demonstration of singing with children. Lesson plans for the video-taped sessions should be included with the tape submission.

6. Interview with Lee University Graduate Music Committee.

Applicants submitting application materials on or before May 1 (for Fall Semester matriculation) or on or before February 1 (for Summer matriculation) will receive first consideration.

Course Offerings

Courses for the Master of Music - Music Education degree are offered in a late afternoon time frame for Fall and Spring semester. Courses are also offered as two-week intensives in the summer. This allows practicing teachers to complete the degree in summers only or year round by enrolling in the after school courses as well as summer coursework.
Placements

Following acceptance into the degree program, each applicant for the Master of Music-Music Education degree will take Music Placements in music theory and music history. If any deficiencies are detected, specific remedial courses will be recommended or required. Applicants will also complete an assessment of piano skills. An examination packet is available upon request from the Graduate Studies in Music Office.

PIANO PLACEMENT

Master of Music – Music Education

A Piano Placement Examination will be administered to each student to determine whether the student’s piano skills are appropriate for graduate studies in music education:

The student must be able to demonstrate functional piano skills including:

1. Vocal/General
   a. All major scales, one octave, hands together and White-key harmonic minor scales, one octave, hands together.
   b. All pentascales and four-note chords—played in both hands, prepared in chromatic succession, ascending & descending.
   c. From a list provided by the Graduate Office, choose 5 melodies to harmonize and provide accompaniments.
   d. From any Essential Repertoire text, play 2 selections contrasting tempi and styles—any two voice parts simultaneously and the accompaniment.

2. Instrumental
   a. All major scales, one octave, hands together and white-key harmonic minor scales, one octave, hands together.
   b. Play any single line at concert pitch and performance tempo from the Holst: Suite for Band in E-flat or F.

The entering students must take the piano placement examination at matriculation.

The Assessment of Piano Skills will determine:

   No additional piano study required
   OR
   Applied piano study each semester until proficiency level is achieved.

*Applicants responsible to purchase all scores needed.
