ACADEMIC SCHOLARSHIPS

The Centennial, Presidential and Dean's scholarships are awarded to first-time freshmen each year based upon ACT or SAT scores. Composite scores for scholarship consideration are taken only from a single test date, and tests must be taken on one of the published national test dates set by The College Board. Students who take the ACT residual test on campus are NOT eligible for academic scholarship consideration. Each academic scholar must maintain a full-time Lee University undergraduate class load of 12-17 semester hours each semester. Academic scholarships do NOT cover the cost of summer camps or Summer Honors. Students older than traditional high school graduates are eligible for academic scholarships if they are first time college attendees.

Institutional Scholarships (including academic scholarships and employee tuition discounts) can be applied toward only one Lee University off campus study program during a student's enrollment at Lee.

Centennial Scholarship is awarded to any student who has graduated from an approved high school and who scores 32-36 on the ACT or 1410-1600 (Math and Critical Reasoning only) composite score on the SAT. Those students who qualify must carry more than 11 credit hours per semester and maintain a 3.0 cumulative GPA or higher in order to continue receiving the award. The scholarship is distributed in two phases. In the first phase, all Centennial Scholars receive an amount equal to standard tuition. This phase lasts for the recipient's freshman year. The second phase is in effect from the recipient's sophomore year until he or she graduates. In the second phase, Centennial Scholars are separated into two categories, Centennial Gold and Centennial Silver. Those Centennial Scholars with a cumulative GPA of 3.0 to 3.69 will be designated as Centennial Silver.

Those with a cumulative GPA of 3.7 and above will be designated as Centennial Gold. A Centennial Silver Scholar receives an amount equal to half-tuition for each semester that he or she qualifies. A Centennial Gold Scholar receives an amount equal to full-tuition for each qualifying semester. If at any time the student should lose the scholarship for falling below the 3.0 or the 3.7 cumulative grade point requirement, it can be reinstated at either level once the GPA is equal to or above the original level. This scholarship can be used in any semester including the summer (must take 4 credit hours in any one summer session), but not after graduation. The Centennial Scholarship is awarded in place of, not in addition to, the Honor Scholarship. If a student enrolls in another college/university before attending Lee University, this student will forfeit his or her eligibility for the Centennial Scholarship. This scholarship is awarded by the Office of Admissions.

Presidential Scholarship is awarded to any student who has graduated from an approved high school and who scores 27-31 on the ACT or 1250-1400 (Math and Critical Reasoning only) composite score on the SAT. This guaranteed scholarship award is \$10,000 for the first year (two semesters) and \$6,000 for the second year (two semesters). During the second year, Presidential Scholars are eligible for the Honor Scholarship in addition to the second year award, if he or she meets Honor Scholarship requirements. Students who enroll in another college/university before attending Lee University forfeit eligibility. Presidential scholarships are awarded by the Office of Admissions.

Dean's Scholarship is awarded to any student who has graduated from an approved high school and who scores 24-26 on the ACT or 1130-1240 (Math and Critical Reasoning only) composite score on the SAT. This scholarship award is \$7,000 for the freshman year (two semesters). Students who enroll in another college/university before attending Lee University forfeit eligibility. Dean's scholarships are awarded by the Office of Admissions.

Honor Scholarship is awarded to any incoming applicant or returning student who has passed a minimum of thirty (30) semester hours, has a cumulative GPA of at least 3.7, and who is currently enrolled as a full-time undergraduate student. The scholarship provides the amount of \$2,000 for the semester awarded. This scholarship can be utilized in an unlimited number of semesters as long as all criteria mentioned above are met. The Honor Scholarship can be awarded to second year Presidential Scholarship recipients. Students enrolled in the Division of Adult Learning or students who have already graduated with a bachelor's degree are not eligible for this scholarship. This scholarship is awarded by the Office of Records.
